SUNDAYS RIVER CLASSIC 2026

To Whom It May Concern

Subject: Contribution Request – Sundays River Classic 2026

The Sundays River Angling Club kindly requests your support for our **prestigious estuary angling event**, the **Sundays River Classic**, taking place in March 2026 on the beautiful Sundays River, Eastern Cape.

At our 2025 event, we proudly awarded over **R380,000 in cash and prizes** to nearly 300 anglers across more than 100 participating boats. For 2026, we aim to meet or exceed this milestone, and your contribution—whether monetary, prize-related, or items for participant “goody bags”—will make a real difference.

As a sponsor, you will receive **full, complimentary advertising** during the event. Your business can be promoted via banners, brochures, and other displays on-site. We also uphold **catch, measure, and release practices** and actively support **junior angling development**, ensuring a sustainable and responsible fishing community.
